

# STOP WORRYING ABOUT PRODUCT DAMAGING YOUR RIMS OR SPILLING AND AFFECTING YOUR CROPS OR LIVE STOCK!

With FUSION Liquid Tire Ballast™ the worry of your equipment rims rusting out, or chemical spills on your fields, stalls and live stock are a thing of the past.

Simply fill your tires 75%-80% full with our FUSION Liquid Tire Ballast™ with or with-out the need of tubes. Without tubes you get the added benefit of the FUSION Liquid Tire Ballast anti-corrosion abilities.

FUSION Liquid Tire Ballast™ has no environmental impact and is 100% Organic, Water Soluble and Non Corrosive. It will add approximately 11-lbs per gallon to your tractor providing a healthy ballast. FUSION Liquid Tire Ballast will SAVE YOU MONEY!
